Fort Worth, Texas

Dear Mr. Carter:

With further reference to my letter of September 15th in connection with certain officials of the First National Bank of Chicago, I just wanted you to know that the commissioning of the gentlemen to whom I referred in my previous letter as Admirals of the Flagship Fleet has been completed.

My plans to make the presentations at a special luncheon did not work out very well due to the difficulty of getting all of these officers together at one time. Rather than hold up on these presentations, I have completed them individually.

Best personal regards.

Sincerely,

Stanley G. King
