* Includes mail payment of \$162,532 for May, 1950 and \$196,493 of additional mail pay for the period January 1, 1950 through April 30, 1950, both computed with the revised rates established by CAB Show Cause Order E-4266 dated May 31, 1950.
 ** Operations of Western and its subsidiary, Inland, should be considered as consolidated, although reports are filed separately as shown here.

NOTE: These figures are taken from monthly reports filed by the airlines with CAB. The data are tentative and subject to later change.
