Dear Mr. Carter:

Your comments about the directors' addresses are very appropriate. We have such a list, of course, and will be sending it to you and the other directors within a few days. Thereafter the list will be kept current and revised when there are changes.

We have intentionally withheld home addresses and telephone numbers of directors from any public listing and from the station roster which is in the hands of all American Airlines supervisory personnel. The reason for this is to protect the directors from petty annoyances of mailing lists, telephone calls and letters with which you would not want to be bothered. Accordingly, the list of addresses to be sent out will be sent only to the directors and those immediately concerned.

Sincerely yours,

C. W. Jacob  
Vice President and  
Assistant to the President
