FOR RELEASE Immediate

American Airlines, by arrangement with Pan American World Airways, is now able for the first time to offer vacationists air cruises to Hawaii. Thus the Paradise of the Pacific is brought within 21 hours of any point in the Eastern United States.

The U.S. portion of the trip can be made either on American Airlines Flagships or on American's DC-6 Blue Ribbon Air Coaches, making connections with the Pan American Clippers at the California Gateway cities, Los Angeles and San Francisco.

Vacationists have a wide variety of air cruise plans from which to choose. The cruises provide for vacations of one, one and a half, two or three weeks, taking in all of the popular tourist attractions of the islands, including Honolulu, Waikiki, Diamond Head, Pearl Harbor and the islands of Oahu, Maui, Hawaii, and Kauai.

An 11-day air cruise from New York to the islands can be made for as little as \$613.50 using American's DC-6 Blue Ribbon Air Coach to make connections with the Clippers at Los Angeles.
