HAYNES PREDICTS CI FAR AND GOOL TURKEY DAY

will reign And it won't rain.

The tradition will be that old age tradition of history—the giving of thanks on Thanksgiving day which brings thoughts of our forefathers, Indians, golden corn and yellow pumpkins. There also will be a more modern tradition, one of foot-ball rivalry which began back in 1894, and which brings memories of red and white colors swirling among orange and white.

'Game of Games'
Weatherman Frank Haynes is doing the looking forward rather than backward for tradition and in a long-range forecast predicts "fair and cool weather for Thursday."
High points on the program for the day include the A.&M. parade at 10 a. m., the Thanksgiving feast at noon and the annual gridiron to be tween the A.&M. Aggies and University of Texas Longhorns which is scheduled for 2:30 p. m. at the Memorial stadium.

Although there are no champion-ships at stake in the football game, it is still the game of games in the Southwest, one of those "anything

This year's All-America backs are David O'Brien of Texas Christian, George Cafego of Tennessee, Bob MacLeod of Dartmouth, and Marshall Goldberg of Pittsburgh.

The ends are John Wysocki of Villanova and Waddy Young of Oklahoma, the tackles Alvord Wolff of Santa Clara and Ed Beinor of Notre Dame, the guards Ed Bock of Iowa State and Ralph Heikkinen of Michigan, and the center Dan (Tiger) Hill of Duke.

O'Brien crashes the all-America despite the fact that he weighs only 150 pounds. The Texas Christian quarterback was vastly more than the greatest thrower of a forward pass in the history of the college game. There were few better ball carriers and no better safety men. He made the cow country forget Samuel Baugh,

Cafego hails from Scarboro, W. Va., which is a small mining camp. He wasn't sought after by any school. His high school coach called Tennessee coaches . . . told them he had placed the boy on a bus and asked them to look after him when he arrived in Knoxville.

Stands Out

Indifferent in practice as a freshman, Cafego ran wild when he got in scrimmage. Maj. Bob Neyland said: "Well, that fellow can run." Later he remarked: "Why, that fellow can tackle." Then he learned that Cafego could pass, kick, and was a great defensive player.

George Cafego is the finest all-round player in the football history of the University of Tennessee, He is only 20 years old, stands 5 feet 11, and weighs no more than 170 pounds, but runs with the power Continued on Page 9, Col. 3. Al Wolff

Although his play was limited by his coach, Goldberg gained 890 yards by rushing in 1936, 701 in 1937, and 316 in his first six games this year.
