Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

I wish to thank you for the many, many courtesies you have shown me and my family. I shall never forget my mother's trip to New Orleans that you and Mrs. Carter so graciously gave her. I sincerely appreciate the honor of your accompanying me on these trips. It is very nice of you to leave your business and take yours time to go with me. I was very happy that my brother was able to go with me on this last trip and enjoy the pleasure of being with you.

I realize that I have been fortunate in being able to attend T.C.U. and knowing you and the many other fine people who do so much for the school. I sincerely hope that I may conduct myself in such a way that you will feel that your kindness has been appreciated. I am looking forward to the San Francisco trip and will do my best in the game to make you proud of me.

Sincerely yours,

David O'Brien
