Mr. Amos T. Carter

My Dear Mr. Carter:

Thank you very much for your kindness in arranging for the interview with Mr. Hough.

I know how many things called for your attention upon your return to the city and I am deeply grateful for you giving the immediate attention to my request.

Mr. Hough was most gracious and although he did not "take" to the radio idea I had, he gave suggestions to me to follow and said he would grant me an audition as soon as I had the plan ready.

Like thousands of other

aspirants, I believe I can
make good if given the
chance.

Again please accept my
thanks for your kindness

most sincerely,

Ella May Keith O'Brien
