

April 27, 1950

Dear Mr. Carter:

You seem to be constantly doing nice things for me as I know you do for a great many people, but I wanted to write you and thank you for the very fine editorial of April 5 in the Fort Worth Star-Telegram.

I certainly hope I merit what you had to say there and I am satisfied history will prove you right.

Sincerely,

Frank Pace, Jr.
Secretary of the Army
