Los Angeles, Calif.

Dear Mr. Anderson:

Your letter of the 21st, received, enclosing a photograph made at the Pan American dinner in Pasadena prior to our departure for New Zealand, for which please accept my thanks. Also, please accept my thanks for the clipping which accompanied the picture and letter. It was nice of you to remember me.

We had a grand trip. The only regret I have is that time would not permit my making the trip to Australia with Sonny Whitney, Paul Patterson and others. From all indications they had a great trip.

Thanking you and with best wishes,

I am

Sincerely,

AGC.KD
