GENERAL OFFICES - 122 EAST FORTY-SECOND STREET NEW YORK CITY

August 3, 1934.

Mr. Amon Carter,  
Fort Worth Star Telegram,  
Fort Worth, Texas.

Dear Amon:

Enclosed is copy of wire which I sent you today, together with List "A", showing the invitations which have already been issued for the flight and List "B" showing additional names which we felt were in order.

As indicated in my letter of August 2nd, we would appreciate having any suggestions which you care to offer. We will, of course, treat such suggestions as strictly confidential.

I have marked on List "A" those who definitely cannot go. My wire indicated those who have definitely accepted.

Repeating what I have already stated in my original letter and wire, we will be greatly disappointed if you cannot make the trip. Please try to do it, as I know you will enjoy and find it interesting.

With warmest regards to yourself and Nenetta, I remain

Sincerely yours,

Robert G. Thach.
