

FRANK PHILLIPS

Bartlesville, Oklahoma,  
August 31, 1934.

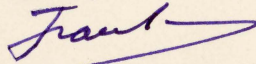

Dear Amon:

Just received your cablegram from Antofagasta. Don't know where in the devil that's "at" but as long as there's no Phillips 66 there think it just as well you proceeded on your way home.

Glad to hear you are having a good trip.

Best regards.

Sincerely,

A handwritten signature in blue ink that reads "Frank" with a long, sweeping underline.
