Mr. Amon G. Carter,
Star-Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

I am attaching the ten dollar gold certificate which you paid on the vicuña rug.

I have not yet been able to obtain the two books on Chile but expect to in about ten days when another lot is coming from the printers. The two champagne bottles will be dispatched to you via steamer this coming week.

I cannot tell you how much I enjoyed meeting you on this trip and trust that you will not wait as long to make the next as you did your first one.

Please give my best regards to Mr. Swasey, whom I trust will not be forced to remain as your house guest "too long" in Fort Worth.

With kindest personal regards,

Sincerely yours,

John T. Shannon.
