Fort Worth, Texas,
August 18, 1936.

Mr. W. S. Knudsen,
Executive Vice-President,
General Motors,
General Motors Bldg.,
Detroit, Mich.

Understand that we are going to have the pleasure of your company together with that of Messrs. Grant and Fisher on September twelfth STOP Inasmuch as our Centennial does not open daily until five PM, I wonder if there is any possible way in which you could spend the evening with us in Fort Worth thereby giving an opportunity for you to see our three great shows, Casa Manana, The Last Frontier and The Pioneer Palace not to mention Jumbo STOP These shows have been pronounced by all expert critics as being the outstanding shows ever produced. I know all of you would enjoy them and while I realize you probably have a definite schedule, at the same time I feel sure if you could possibly rearrange your plans to spend the evening with us you would be more than compensated for the slight loss of time. After all you will never get caught up so why not make "us"country folks happy by staying over for the evening STOP Have air cooled rooms, by General Motors, for all of you at the Fort Worth Club and will be "plum" glad to see you. Do your level best to stay. Best regards.
