AMON G. CARTER, PRESIDENT

RE: Frontier Centennial Payments.

Mr. S. D. Hopkins,
General Motors Corporation,
General Motors Bldg.,
Detroit, Mich.

Dear Mr. Hopkins:

Your letter of October 7th received, enclosing General Motor's check for \$9,375.00 covering three weeks Centennial announcements, for which please accept my thanks.

Incidentally, we are closing our 12th week tonight. It looks as though they will have to play three shows. Both shows were sold out last night, Friday, with an attendance of over 6,000 which is an evidence that they still like the show when the weather is good.

I am leaving here Sunday morning for San Francisco and will make a trip to Manila on the China Clipper leaving there Wednesday afternoon, October 14th, and I hope to be back before the show closes.

Meanwhile, please accept my thanks and appreciation for your friendly interest.

With best wishes, I am,

Sincerely,

AGC.KD

P.S: Notwithstanding that I am out of the city for two or three weeks, please mail future checks, payable to the Centennial, to me and my office will see they are turned over to the proper party.
