Miss Louise Goodman,
Secy. to U. S. Marshal Wright,
Federal Bldg.,
Fort Worth, Texas.

Dear Miss Goodman:

Mr. Carter hopes you will accept his apology for not acknowledging your nice letter of September 11th delivering messages sent by you from Messrs. Walter S. Chrysler and Matt Brush to Mr. Carter; however it has been impossible for him to read all the incoming mail, much less answer it, due to the fact that duties pertaining to the Centennial have consumed practically all of his time since in June.

He intended to telephone you before leaving the city but that was impossible too as things piled in the office at such a rate, neither of us ate for a week before he left and worked 12 to 18 hours a day. Nevertheless he appreciated your writing him.

Yours very truly,

Secy. to Mr. Carter.
