Mr. H. M. Foale,  
General Motors Corporation,  
DETROIT, Mich.

Dear Sir:

After wiring Mr. Hopkins, a Centennial check was received the day day, and I immediately acknowledged it, by wire.

I have written to him today again thanking him not only for General Motors' cooperation but for the many courtesies extended in connection with it.

I wish to thank you for your prompt attention to the matter.

Yours very truly,

J M NORTH, Jr.
