

THE VICE PRESIDENT'S CHAMBER
WASHINGTON

December 2, 1937

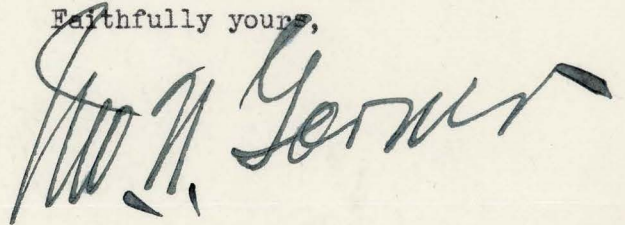

Honorable Amon Carter,
Fort Worth,
Texas.

Dear Amon:

I am just back from a hunting trip up in Pennsylvania and am happy to find your letter of November 29th on my desk. In the course of running through the accumulated mail, I have read it hurriedly, but I am going to lay it aside until I come back from the Capitol this evening when I will have more time than I now have to thoroughly digest your analysis. I am always interested in what you have to say.

Mrs. Garner joins me in regards and best wishes.

Faithfully yours,

A handwritten signature in dark ink, appearing to read "Wm. H. Garner". The signature is written in a cursive style with a large, sweeping flourish at the end.
