

## THE VICE PRESIDENT'S CHAMBER

WASHINGTON

Dec. 27<sup>th</sup> 1937

Dear Mr. Carter:- You are just  
too good to the Garners. The  
eggs come this a. m. and old  
Johnnie is puffing away, & in  
his heart saying "God Bless Amos."  
The turkey is delicious - the little  
onions of the best, & I guess the  
peas are also but I am abstaining  
but I believe that word applies  
rightfully to a certain beverage.  
Anyway - Thank you & God  
bless you -  
Your friend  
E. P. Garner
