

THE VICE PRESIDENT'S CHAMBER
WASHINGTON

Feb. 3rd - 1940

Dear Mr. Carter:-

I have used up all my vocabulary
expressing Mr. Garner's appreciation for
the cigars you are always sending
him - so there is nothing left but

"Thank you"

I can't testify from actual trial
how good the cigars are but I can
testify that the box they are in is a
beauty - inland and all that.

Still freezing up here.

Love & best wishes from
both Mr. Garner & me.

Sincerely your friend
Ettie Garner.
