OFFICE OF Vocational Agriculture Teacher

Honorable John Nance Garner
Vice President of the United States
Washington, D. C.

Dear Mr. Garner

I wish to express my thanks and appreciation to you for buying the Boy's Champion Lamb at the recent Southwestern Exposition and Fat Stock Show for a new world's record price of \$3.55 pound. Such interest and generosity is an expression of your profound interest in the farm youth of today.

Billy Rodgers, the boy who showed the Champion, is a member of my vocational agriculture class and of the Lubbock Future Farmers of America. You may rest assured that Billy is one of the finest farm boys in America and that the money received for the lamb will be wisely invested.

If you desire a picture of the boy and the lamb we will gladly send same.

Very truly yours

Henry Elder
