Dear Mr. Carter:-

Your letter to Mrs. B. just received - Lully and Ann have come to take me on a little vacationing trip with them this part of our glorious week - so I am trying to leave my desk clear. Mr. Garner says he can't suggest a plan by which you can "disappear" the portrait - but whatever you can do with the consent of the owners of the picture will be O. K.

with him - we do not know who
admitted the change etc - I feel sure
you know with whom to take the matter
up -

The children are hoping to
persuade Mrs. B. to take a little vacation
with us - I also hope so but have "one
doubt".

Write love from us both -

Sincerely

Wm. & Anne
