

Sept 26th P.M.

Dear Mr. Carter:-

Mr. Stone is leaving us
this P.M. - I think he has
enjoyed his visit to Uvalde -
and the Garners have es-
sentially enjoyed having him
in our home. He is fine
& his work is splendid - if
a portrait of Mr. Garner
can be better than the
one we have on our

walls, the one he is just finishing
is - they both are Mr. Garner.

All who have seen the picture
are delighted and amazed that
one can make such a wonderful
likeness in such a short time.
a sweep of the brush & there
the man - almost alive.

We hope to see you

one of these good days -

Ever

Sincerely

Ettie Garner.
