June 14 - 47-

Dear Aaron =

I was made happy
today by the receipt of a box of
Cigars sent by your good self -
Thanks for remembering me in
such a substantial manner -
I will smoke our next Sunday and
worship your good friendship -
As you probably know the Mrs is
an invalid with no hope of recovery -
Her nurses worry minutes in the 24 hours,
I roll her around in chair, and we
still get enjoyment out of life -
I am in good health and don't
hate anybody - God bless you
Your friend
