Honorable John ^{W.} Garner,
Uvalde, Texas.

Dear Mr. Garner:

In 1933 you gave Mr. Carter a gavel you had used in the House at the time that the "Beer Bill" was under consideration for a souvenir at Shady Oak Farm. Mr. Carter attached the tag carrying a memorandum of the occasion which you had autographed to the gavel and has kept it as one of his treasured souvenirs. Someone had a little accident and spilled some Bourbon De Luxe on the linen tag carrying this memorandum with your signature and while to some folks of my enhance the value of the memorandum, it does make it a little difficult to read. So, a new tag carrying the identical wording has been typed up and Mr. Carter wonders if you would be good enough to sign it as you did the original "Jhn. N. Garner" and return it for his collection.

Thanking you and with best wishes
to you and Mrs. Garner, I am

Sincerely,

Secy. to A. G. Carter.
