Dear Ann - The box of cigars has arrived - As usual they are extra fine - I will smoke one each Sunday and think of a great American, who I am proud to call my friend. Thanks - I pray you may have good health this and all other years -

Ettie as you probably know is a helpless invalid. Thank Heaven she suffers no pain. I am O. K.

Your Friend

P. S. The papers are here and Ettie is already working on them. She says tell you that they will enjoy them. Thanks,
J. N. G.
