Dear Mr. Carter:

The biography of Mr. Garner autographed by Bascom Timmons and yourself was received yesterday and I am already enjoying it very much. As you know, I have always thought that Mr. Garner was a great Texan and I believe he would have made a great president and that it would have been a fine thing for the country in 1936 if they had taken him. Consequently, I am very happy to have his biography by Bascom Timmons, to whom I know he talked often and without reserve. The book is doubly valuable in that it came to me from you with your autograph. I much appreciate your thinking of me and send my sincere thanks for the gift.

Yours sincerely,

Mr. Amon Carter
