Mr. Amon Carter,
The Star-Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

It was a most pleasant surprise, the other day, when I was in The Fair and was handed a copy of Bascom Timmons' GARNER OF TEXAS through your generosity.

The book itself I had planned to get for my library and the fact that both you and the author inscribed the copy makes it all the more valued.

With all good wishes--

Boyce
