

HUGH BEATON, M. D.

1316-18 MEDICAL ARTS BUILDING  
FORT WORTH, TEXAS

October 18, 1948

Dear Mr. Carter:

Saturday, through your kindness,  
I received a copy of "Garner of  
Texas" which I read into the wee  
hours Sunday morning.

The book will be cherished because  
it is written about a great Ameri-  
can and given to me by one who,  
in my humble opinion, tops them  
all.

Very sincerely,

*Hugh Beaton*
