Dear Leon - It was very  
sweet of you to send me  
these extra good Cigars -  
I have often said and I  
repeated to your face, that  
you was one the noblest  
Characters I have ever  
known - If we had a Million  
like <sup>you</sup> this Republic would be  
safe - Well I know you will  
be pleased to know that I am  
in good health & enjoying life -  
I wish you perfect health  
and long life,  
Your friend
