Dear Amos =

I have just struck
"2 blows for liberty" and
decided to tell you how much
I appreciate your good friendship
but I find I haven't the
language to do it. So I will
just say that you are one
of the greatest men I have
ever known. In fact I
put you at the Top as one
of the greatest Americans
I have known - I am in
good health and enjoying life
I wish you the same

Your Friend
John Garner
