Dear Mr. Carter:

I believe I recall that when Bascom Timmons' biography of Vice-President Garner was published some months ago, the author mentioned that you had expressed considerable interest in the book. Consequently, I thought that you might like to know that we now find ourselves with a small overstock of the special Texas edition, which we are planning to dispose of through the usual remainder channels. It occurred to me that you might want to buy a number of these at the remainder price of 50¢ a copy for use as Christmas presents.

If you are interested, we could let you have any number you might need, with a minimum of 50 copies to a maximum of 3000.

Incidentally, the book sold quite well in Texas, but because of the large initial demand we over-estimated the probable continuing sale: hence the overstock.

Sincerely,

John Fischer
