UVALDE, TEXAS

June 3-53.

Dear Aaron: I have read the two  
Editorials you sent me, as well as others  
in your paper: What attracted my  
attention was your continued ability to  
write such forceful Editorials =  
I had heard that you had been quite  
ill, so I was happy to see you  
was yourself again = I pray  
that you may have health and  
strength to serve this country for  
many, many years to come =  
My prayers are with you -  
and, believe or not, they await  
much.  
Yours Truly  
JNO. N. Garner
