Dear Mr Carter,

With the help of your kindness, and generosity the Ft. Worth Kiwi group was able to show many other visiting Kiwis what a great place Ft. Worth is. You have long been an inspiration to our local group, and it was with great pride we introduced you to the visiting girls.

Thanks again for your thoughtfulness in behalf of our first national Kiwi delegates meeting. Without such help, the meeting could never have been so successful.

Sincerely
Mary Hays Kahak
Pres. of Ft. Worth Kiwis
