Newark, N.Y.

Dear Mr. Kirschbaum:

Please accept my apology for not sooner acknowledging the clever cartoon which you sent to me following your visit to Fort Worth at which time you attended a party at Shady Oak Farm for the Aviation Writers.

I appreciated this cartoon very much, although you have flattered me in your drawing. Everything else in the picture - gun, plane, etc - are tops and I shall have it framed to adorn my office.

It was a pleasure to have you folks in Fort Worth and I hope you will make a return visit.

With best wishes, I am

Sincerely,
