Dear Mr. Carter:

I wish to thank you for your wonderful hospitality to me as a member of the Aviation Writers Association. It was indeed a very special event to visit Shady Oak during our convention last month; my only regret is that it was not possible to see you and thank you in person.

I remember during the war when you visited Eighth Air Force headquarters in High Wycombe and I had the opportunity of talking with you.

As a partial return for your generosity and kindness, I am having sent to you our special research and development issue in a bound copy. Knowing your interest in aviation, I feel sure you will find in it many things of interest concerning the advance of aeronautics.

I hope very much you will soon recover from your illness, and thank you again for your kindness.

Sincerely,

*Randolph Hawthorne*
