My Dear Amos Carter

I am overwhelmed by  
your kindness and shall treasure  
the revolver you send me as a  
souvenir of a memorable meeting  
and of the happy time I and my  
party spent with you at Ford-Worth.

On our return to London  
we are hoping to prepare a little  
surprise for you. Meanwhile  
please accept my heartiest thanks.  
I shall always feel indebted to  
you.

Yours very faithfully  
V. K. Lawrence
