

THE AMBASSADOR
NEW YORK

January 26th/28.

My dear W. Carter,

On the eve of
our sailing in the
Aquitania I want
to say how exceedingly
I enjoyed that
unforgettable day we

spent as your guests
at Fort Worth. Of
all our experiences
in a most interesting
town, that is the one
that will remain
as the most vivid
& enjoyable.

Your present

of that wonderful
old-time six shooter
to Lord R. with
the fascinating
belt & holster has
delighted him. He
shows it to everyone,
& it is to hang on
the walls of the

smoking room
of his house in
the Scottish Highlands.

With many thanks
& with my best
respects to Mr. Carter,

yours very sincerely

Ward Price
