

J. C. PENNEY
330 WEST 34TH STREET
NEW YORK 1, N. Y.

In reply to your letter of -

April 11, 1944.

Mrs. Katrine Deakins,
Secretary to Amon G. Carter,
Fort Worth Star-Telegram,
Fort Worth 2, Texas.

Dear Mrs. Deakins:

I am returning the card herewith. I have not filled in Mr. Penney's home address and telephone number, however, because it will be so misleading without this word of explanation.

The residence address is 552 North Street, White Plains, New York; but of late the family have resided there very little of the time. They have been living in New York City during the winter and for part of the summer they have gone to the seashore. Any mail addressed to White Plains is therefore very much delayed though usually it eventually reaches them.

For these reasons we prefer that the office address be used to facilitate early attention.

Sincerely,

Enc.

Executive Secretary.
