

Mr. Record

J. C. PENNEY
330 WEST 34TH STREET
NEW YORK CITY 1

December 13, 1948.

Miss Katherine Deakins,
Secretary to Mr. Amon Carter,
Fort Worth, Texas.

Dear Miss Deakins:

Doubtless you, as Mr. Carter's secretary, are familiar with the pictures which he had taken at the time Mr. Penney was in Fort Worth during the past year. There were three, I believe, but the one of Mr. Penney alone, taken full face, and holding onto a wheel, has just come to Mrs. Penney's attention; and she likes it so much that she has sent it to their daughter who is a student at Oxford University.

Now Mrs. Penney is wondering if she could have the negative so she may get additional prints for their other children. Is the negative still in existence? And, if so, will Mr. Carter loan it to me so I may get the prints made for Mrs. Penney?

I shall appreciate your help in this matter very much.

With best wishes,

Very truly yours,

E. M. Hilton

Executive Secretary.
