

CIVIL AERONAUTICS BOARD
WASHINGTON

September 10, 1942.

Mr. Amon G. Carter,
President, Fort Worth Star-
Telegram,
Fort Worth, Texas.

My dear Amon:

It was a real pleasure for me to be with you on the recent trip to Mexico.

I hope I did not "short-change" you when I returned your two-dollar bills just before the plane took off. I had settled my seat in the plane, and the stewardess had said that we would be taking off in about a minute, when all of a sudden I recalled I was still carrying around the two-dollar bills which you asked me to take along for you. It was then I rushed out and hurriedly returned them to you. Please let me know if my count was accurate. It was my recollection that you had turned over to me ten two-dollar bills. I am really persuaded that you are superstitious about two-dollar bills, because you never once mentioned them during the time we were in Mexico!

Your party was a great affair, and I am sure everyone who was privileged to attend keenly enjoyed it. I want you to know that I am grateful for all of the courtesies shown me.

With best wishes, I am

Sincerely your friend,

Harllee Branch
