Dear Mr. Carter:

Let me express to you my sincere thanks and appreciation for the courtesies extended by you and other officers and directors of the American Airlines on our most interesting trip to Mexico recently. I refer particularly to the hospitality we enjoyed in Fort Worth at your hands, and especially at Shady Grove. While our reception in Mexico was all that could be desired, yet it could not surpass that which we received at your hands and for which I, for one, am very grateful.

If you would only "break down" and let us have the same opportunity of extending you Dallas hospitality, I guarantee you a choice seat in heaven.

With my best regards, sincere appreciation, and every good wish, I am

Sincerely yours,

Woodall Rodgers  
Mayor of Dallas.
