Ft. Worth Star Telegram
Ft. Worth, Texas.

Dear Mr. Carter:

I can say that the many nice things I have read and heard about your hospitality are all true, after the evening I had the privilege of being your guest at Shady Oak Farm. It is an occasion I will always remember.

I have written Mr. Kemp, thanking him for the invitation, that made me a passenger on the "Inaugural Flight which I feel may turn out to be a Good Will Mission."

I would appreciate it if you would have your Secretary send me a top of one of those blue boxes which contained the fruit that was carried aboard the plane at Ft. Worth. I have a hobby of making up large scrap books of trips, and I know of nothing more appropriate to put in the book than the full size fruit box top that shows where the "West begins etc."

I have told my friends here in Memphis about the repartee' at your dinner, regarding Ft. Worth and Dallas.

Again thanking you, I remain

Sincerely,

W. Percy McDonald
