Mr. Amon G. Carter, Publisher
Fort Worth Star-Telegram
Fort Worth, Texas

My dear Mr. Carter:

I have read with pleasure the announcement in the local press that you will be one of the first passengers coming to Manila via Clipper. I anticipate meeting you while you are here, and hope you are planning to spend some days in the Philippines.

I lived for thirty-three years in Texas and I am sure we have many mutual friends.

Very sincerely yours,
