Mr. Amon G. Carter,
Fort Worth,
Texas.

Dear Amon:

Referring to your letter of October first:

I am glad to learn you are planning to be one of the first passengers on the American Air Lines Clipper's initial passenger trip. Our situation in the Pacific is not quite the same as it is in South America. We have no direct operations across the Pacific, and hand practically all of our business to the Radio Corporation. I have, however, acquainted the Radio Corporation people with your proposed visits and I am sure you will find them on hand to greet you. I wish we could do more, but under the conditions this seems to be as far as we can go.

The only regret I have in connection with your trip is to learn that you will be away from home when J.M.D. and I expect to visit Fort Worth on October seventeenth. I know you will have a wonderful trip, and I will be anxious to hear about it on your return.

With best wishes, I am

Very truly yours,

Bob
