Dear CD:

It was nice of you and Mrs. Reimers to send greetings. We have had a dandy trip. Leaving for Hongkong tomorrow, Friday, returning here on Saturday, and leaving for home Sunday morning on the CLIPPER.

Am sending this under special cover, and if all goes well I will have some interesting covers when I return. Incidentally, I have spent a lot of time in the Post Office and almost went broke buying stamps, which I shall be glad to show you when I return home.

Best regards to both of you.

Sincerely,
