The Late Will Rogers Reserved
Seat For Him In
Clipper Ship

SAN FRANCISCO. (U.P.)—Amon G. Carter, Fort Worth, Tex., publisher and long-time friend of the late Will Rogers, will be one of seven passengers on the Pan American Airways clipper ship when it inaugurates trans-Pacific passenger service. Oct. 21, it was revealed today.

Carter, through Will Rogers, made his reservation three years ago, when Rogers gave the airways company a check for the crossing of Carter and himself.
