**Publisher Accepts
Invitation as Guest
On Flying 'Clipper'**

90
FORT WORTH, Tex., Sept. 24.—
(U.P.)—Amon G. Carter, Fort Worth
publisher, today telegraphed his
acceptance of an invitation to be
one of seven passengers when air
passage service is inaugurated be-
tween the United States and China
next month.

Carter was invited by Juan Trigg,
president of the Pan-American Air-
lines, whose "clipper" flying boats
will operate over the San Francisco
to Shanghai route.

Trigg invited Carter and Will Rog-
ers, cowboy-humorist, to make the
flight three years ago, long before
Rogers died in an Alaskan air crash,
Carter said. The publisher and Rog-
ers were close friends.
