Fort Worth Star Telegram,
Fort Worth, Texas

Dear Amon:

I was certainly glad to get your letter of October 26th and to hear about your trip. It must have been interesting beyond words and I can imagine how thoroughly you enjoyed every moment of it.

It was certainly some trip from San Francisco to Honolulu, 2410 miles in seventeen hours and twenty minutes. Some years ago my two daughters made the trip by sea and I remember how often they talked about what a long tedious trip it was.

Always with kindest personal regards,

Yours very sincerely,
