Dear Mr. Carter:

I cordially appreciate your note of October 26, written at Manila and postmarked on Guam.

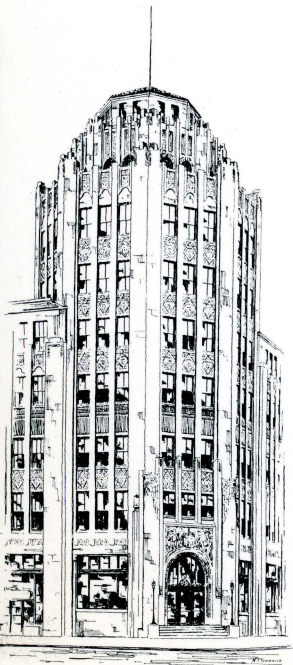

The history-making cover is a most interesting and attractive souvenir, which I am glad to possess. It must have been a marvelous experience for you and your newspaper friends who took the air voyage. I know you feel the better for it. It was indeed a rare opportunity.

With many thanks for your courtesy and with kindest regards, I am

Sincerely yours,

Frank G. Huntress
