Mr. Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Amon:

Thanks very much for your letter from Guam on your Clipper trip to the Orient. It certainly sounds like an interesting trip but I do not think I am sufficient aviator yet to tackle it. It seems to me you have been most everywhere except perhaps the South Pole.

Elizabeth and I are leaving this week for California, as she has recently had an operation and I am going to build her up at Palm Springs for a while. She has come along splendidly and really feels fine.

If you contemplate any of your flying trips about the country which might include Oregon or California, please let me know.

Sincerely yours,

Jed
